Sir:

Applicant hereby petitions to withdraw the holding of abandonment in the above-identified patent application and requests that the Notice of Allowance be re-mailed and the time to respond thereto be re-started. Petitioner received a Notice of Abandonment (a copy of which is attached hereto as Exhibit A) mailed on April 24, 2002, indicating abandonment of the present application for failure to timely pay the issue fee within the statutory period of three months from the mailing date of the Notice of Allowance, which the undersigned understands was mailed on October 23, 2001.

However the Notice of Allowance was not received as indicated by a search of the file jacket and docket records. Copies of the file jacket and the docket records are attached as Exhibit B, where the Notice of Allowance would have been entered had it been received.

It is believed that no fees are due. However, if any fee is due, then please charge Deposit Account 14-1270 for any fees associated with filing this petition.
